

To safeguard the interests of vulnerable customers, residents, patients and KDADS staff, and to minimize risk of their injury, KDADS may require any top applicant, employee, student, intern, volunteer, independent contractor or contracted staffer to obtain and maintain security clearance as a condition of employment/service to the agency. Results from background checks of state and federal records will be considered by KDADS in determining whether to grant security clearance. Individuals may be required to submit fingerprints for use in obtaining records.

KDADS reserves the right to disqualify from consideration for employment/service any individual who is denied or fails to maintain security clearance when required to do so. Security clearance may be denied to an individual who has been convicted of a prohibited crime as detailed below. Conviction of a prohibited crime or having engaged in prohibited conduct as defined below occurring more than five years ago will not automatically result in denial of security clearance but may be considered in determining whether to grant security clearance.
